*Restoration ♦ Studio ♦ Gallery*

---

Thank you for using Lakeside Pottery for your restoration needs!

## **How to maintain the restored object and keep the warranty valid?**

This item was restored with “cold” materials. Meaning, it was not re-fired (kiln).

To keep the restoration quality intact for years and the warrantee valid, please insure the following: Do not wash or use liquids, do not use it with food or temperatures above 150 degrees

F. **The restored item is for display only.** If cleaning is required, you can use damp soft cloth applied gently without scrubbing. Avoid direct sun to prevent colors from fading.
